**AUSTRALIA**

## Strategic Plan | 2015 - 2018

### **Vision**

Community Inclusion through Sport

### **Philosophy**

To implement its vision, Sport Inclusion Australia works in partnership with state national and international sporting bodies and other relevant organisations to facilitate inclusiveness in Sport for people with an intellectual disability

# Strategic Goals

## Governance

Ensure sustainable funding and services, meet all statutory requirements and deliver best practice

## Partnerships

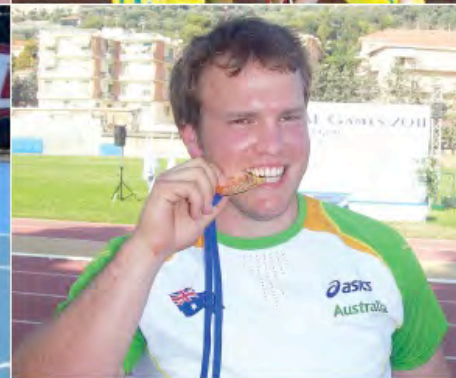

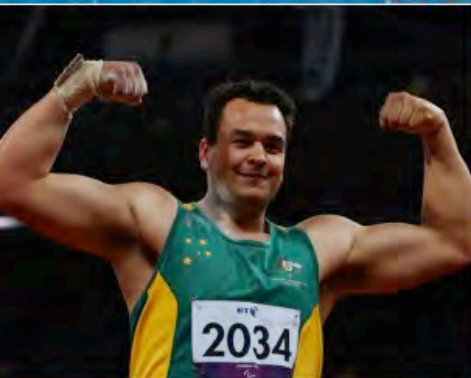

Build sustainable partnerships with relevant industry bodies

## Policy and Culture

Influence social policy and create cultural change

## International

Build, maintain and sustain alliances with INAS, particularly in the Oceania Region

**AUSTRALIA**

# Intellectual Disability – some facts

The World – between 110,000,000 (2.2%) and 190,000,000 (3.8%)  
have an intellectual disability(\*)

15% of the world population have a disability (1,000,000,000)

Applying the same WHO percentages in a local context

Australia – (24,000,000) – 528,000 – 912,000

15% of Australia 3,600,000

(\*) World Health Organisation
